

Cedar Lake Summerfest Presents The Great Cedar Lake Cardboard Boat Race

Saturday, July 3rd

So much fun... So little time!

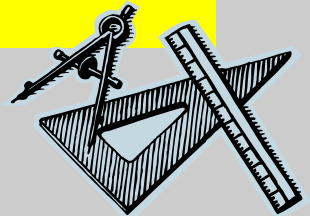

Up for a little friendly
competition?

You can be an individual
competitor, or you can get a
group together and combine
your creative talents.

Don't forget, there is prize money!

Possible Tools & Materials for Building your Cardboard Boat:

- Adhesives
- Cardboard
- Chalk line
- Cloth (for a possible sail)
- Glue gun & glue rods
- Hot air gun
- Knives
- Levels
- Paint (for below the waterline)
- Paper & pencil for designing
- Protractor
- Ruler
- Saw horses
- Squares
- Straight edge
- String or ropes
- Tape (all kinds)
- Tape measure
- Water line equation
- Wax (for sealing below the waterline)
- Wood (for mounting non-gas, non-electric propulsion device, i.e., oars, paddle wheel, sail, etc.)

Your local merchants will be happy to assist in finding
needed materials.
