

NOMINATION FOR CITIZEN OF THE YEAR

The Cedar Lake Summerfest is totally operated by volunteers. As an organization we treasure the large number of people who come together during the 4th of July holiday to showcase our community. During the festival we take the time to honor a Citizen of the Year and a Teen of the Year. These people are Cedar Lake residents who have stepped up and given of themselves unselfishly to the community of Cedar Lake. Take a moment to nominate that special neighbor, club member, or dedicated person that you know deserves to be honored.

Please complete and submit to the Summerfest Committee
